

## Reviews of marking policy: centre assessed marks (coursework and non-examination assessment)

Carlton le Willows Academy is committed to ensuring that whenever its staff mark candidates' work this is done fairly, consistently and in accordance with the awarding body's specification and subject-specific associated documents.

Candidates' work will be marked by staff who have appropriate knowledge, understanding and skill, and who have been trained in this activity. Carlton le Willows Academy is committed to ensuring that work produced by candidates is authenticated in line with the requirements of the awarding body. Where a number of subject teachers are involved in marking candidates' work, internal moderation and standardisation will ensure consistency of marking.

1. Carlton le Willows Academy will ensure that candidates are informed of their centre assessed marks so that they may request a review of the centre's marking before marks are submitted to the awarding body. In order to make a request the student should contact the Exams Office.
2. Carlton le Willows Academy will inform candidates that they may request copies of materials to assist them in considering whether to request a review of the centre's marking of the assessment.
3. Carlton le Willows Academy will, having received a request for materials, promptly make them available to the candidate. This will either be the originals viewed under supervised conditions or copies.
4. Carlton le Willows Academy will provide candidates with sufficient time, normally at least five working days, to allow them to review copies of materials and reach a decision.
5. Carlton le Willows Academy will provide a clear deadline for candidates to submit a request for a review of the centre's marking. Requests will not be accepted after this deadline. Requests **must** be made in writing and candidates **must** explain on what grounds they wish to request a review.
6. Carlton le Willows Academy will allow sufficient time for the review to be carried out, to make any necessary changes to marks and to inform the candidate of the outcome, all before the awarding body's deadline for the submission of marks.
7. Carlton le Willows Academy will ensure that the review of marking is conducted by an assessor who has appropriate competence, has had no previous involvement in the assessment of that candidate for the component in question and has no personal interest in the outcome of the review.

8. Carlton le Willows Academy will instruct the reviewer to ensure that the candidate's mark is consistent with the standard set by the centre.
9. Carlton le Willows Academy will inform the candidate in writing of the outcome of the review of the centre's marking.
10. The outcome of the review of the centre's marking will be made known to the head of centre. A written record of the review will be kept and made available to the awarding body upon request. The centre will inform the awarding body if it does not accept the outcome of a review.

The moderation process carried out by the awarding bodies may result in a mark change, either upwards or downwards, even after an internal review. The internal review process is in place to ensure consistency of marking within the centre, whereas moderation by the awarding body ensures that the centre marking is in line with national standards. The mark submitted to the awarding body is subject to change and should therefore be considered provisional.
